

We set the
standards that make
a stronger market.
And keep them.

EC eurex clearing

If ever the market needed stricter quality control, it's now. At Eurex Clearing, we're setting the industry benchmarks for risk management, so you can monitor and manage your post-trade activities in real time. We provide proactive systems, ready to adapt whenever your needs change. And in today's volatile market,

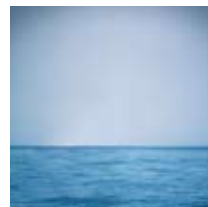

we're relied upon as the early warning system that lets you know when something unusual occurs. Eurex Clearing never stops looking and listening for ways to strengthen the market, using technology to simplify processes before passing improvements on to everyone. Because Eurex Clearing has always put the integrity of the market first, to keep you **clear to trade**

Eurex Clearing risk management. Sees more. Misses less.

Opportunity can come from nowhere.
Then again, so can trouble. So instead of
waiting till the end of the day's trading,
Eurex Clearing's proven risk management
lets you monitor and manage your
post-trade activities in real time.
Across multiple asset classes.

Monitor and manage
your post-trade
activities in real time.

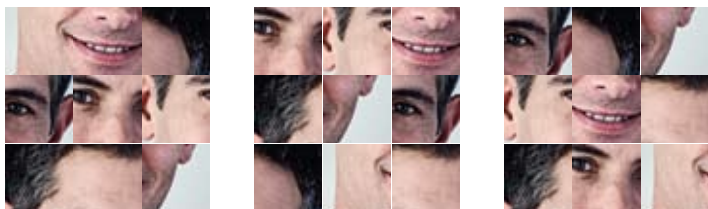

Our processes keep up with trading
trends which means we're continually
setting the industry standards. And
with every improvement we make, we
take steps to ensure the whole market
benefits. So nobody needs to miss a
thing – and everyone is **clear to trade**

We ensure the whole
market benefits from
every improvement
we make.

A clearing system works best when it's shaped around you.

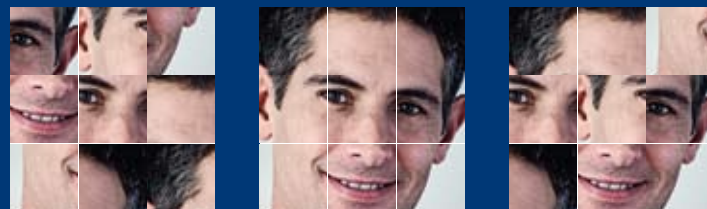

In today's market, you can't afford to stand still. So when your needs change, our operational systems are designed to adapt. At Eurex Clearing we never stop innovating, or investing in ways to help you stay one step ahead. Our systems are reliable, scalable, and fully-integrated across all markets. And continuously upgraded.

When your needs change, our systems are ready to adapt.

Single connections mean no doubling of costs, and give seamless Straight Through Processing – from trade to settlement. Your own dedicated technical Account Manager makes life easier, too. Not just by keeping your connections in shape, but by understanding the way you work.

Through shared knowledge we help bring the market together.

Because it's through shared knowledge that Eurex Clearing helps the market come together. And keeps you **clear to trade**
